

Genoa Township Comprehensive Planning Committee Meeting
May 21, 2008

Members Present: Joe Clase (Zoning Inspector), Dan Strohecker, George Fleshman, Connie Goodman, Brian Mumford, Tom Will.

Members Absent: Sandra Faulkner, Steve Havens, Jim Greenhalge, Jo McIntosh.

The meeting began at 6:30pm and was led by Vice-Chair Connie Goodman in the absence of Chair Steve Havens.

The charge of the committee this evening was to complete the draft of the 2008 Comprehensive Plan and forward it to the Zoning Commission for their review and comments. The Zoning Commission's next meeting is scheduled for June 9, 2008.

The majority of the edits made to the draft document were related to grammar, style or clarifying content. The items to be included in the appendix were reviewed and Joe Clase will check with Steve Havens for verification of these and to obtain any missing documents. Items noted for inclusion were: Design Suggestions, Fiscal Impact Analysis, Parks Board Document, Township Enhancement Report and the Visioning Summary (Executive Summary). Joe will do a final review of the document for any naming inconsistencies and spelling errors.

Committee members' attendance is requested at the June 9th Zoning Commission Meeting to respond to any questions from the Commission. This will be especially important for those who have been part of the process since the beginning as they will be able to provide an historical perspective on the information gathering process as well as the content and intent of the document. After the Zoning Commission's review, the document will either be returned to the Comprehensive Planning Committee for revisions or if no revisions are needed, it will be sent to the Delaware County Regional Planning Committee (DCRPC).

The next meeting of the Comprehensive Planning Committee will be June 18, 2008, at 6:30pm in the Township Administration Building.
