GENOA TOWNSHIP - TEMPORARY USE APPLICATION SUBMISSION CHECKLIST AND GUIDELINES

This document is for reference purposes only. Please do not submit it with your application.

When an individual, business, or group wishes to establish a Temporary Use, a Temporary Use Permit is required prior to establishment of said use. The purpose of a Temporary Use permit is to ensure the proposed use is compliant with Township zoning standards and permitted at the proposed location. The final determination of zoning compliance, as well as enforcement of any other pertinent zoning regulations, is the responsibility of the Genoa Township Development and Zoning Department.

If exterior changes are proposed to an existing building or site (expansions, alterations, signs) a separate zoning permit application will need to be submitted to the Development and Zoning Department for review and approval. If the building or space is located within a planned zoning district, an application to amend the Final Development Plan may also need to be applied for and subsequently reviewed through the Final Development amendment process before a zoning permit can be issued.

CHECKLIST—The following items must be submitted:

1. **Completed Application Form:** Please completely fill out, sign, and date the application form. Submission of an incomplete application may delay review and/or issuance of the zoning permit.
2. **Use Narrative:** A written description of the proposed use that includes as much detail as possible. Supplemental materials such as: the URL of a company website, illustrations, pictures, diagrams, plans, copies of licenses, brochures, lists of services and/or items offered, etc. may be helpful. All submitted documents must be 11" x 17" or less in size.
